Other discussion items from those present:

Mike Carter, KC6MGM, would like to make a recommendation on a change to the Tuesday night net schedule at the McARCS meeting on Monday. The proposal would be to change the swap net to start at 7:00pm/1900 and any other net on Tuesday to start at 7:30pm / 1930. The swap net rarely runs over 15-20 minutes so it would easily fit into the 7:00-7:30 / 1900-1930 time frame. Other nets such as the WARS net, the Part 97 net and the YL net, if reactivated, could then be open ended and not have the 30 minute time restriction.
